

BEFORE THE NEBRASKA PUBLIC SERVICE COMMISSION

In the Matter of Harlan and) Application No. 911-023.50
Phelps Counties, Public Safety)
Answering Point, Holdrege,)
seeking funding approval for) ORDER APPROVING FUNDING
recurring and non-recurring)
costs of Enhanced Wireless 911) Entered: November 21, 2006
implementation.

BY THE COMMISSION:

By written request for funding Harlan and Phelps Counties, of Holdrege, seek funding from the Enhanced Wireless 911 Fund (Fund) for expenses to develop and maintain Geographical Information System (GIS) data necessary for the implementation of Phase II wireless enhanced 911.

Payment was made by the City of Holdrege to GeoComm and documentation of the payment has been provided in the amount of **\$34,295.00**. Further, the City of Holdrege has submitted a copy of the contract with GeoComm for development of the data and a written verification that it has received the GIS data from GeoComm and that it contains all map layers.

O P I N I O N A N D F I N D I N G S

This request for funding is being processed pursuant to Neb. Rev. Stat. §§ 86-442 to 86-469 (2006 Supp.), 291 Neb. Admin. Code, Chapter 1, Section 5, Progression Order No. 5 in Commission Docket No. 911-001, entered July 16, 2002 and October 18, 2005, Adopting Guidelines for GIS Funding in Docket No. 911-011.

Costs requested are eligible under Neb. Rev. Stat. § 86-465 (2006 Supp.). All costs have been incurred or will be incurred for the development of GIS data which is necessary for the future implementation of Phase II wireless enhanced 911 service.

Because the City of Holdrege has already paid GeoComm for the initial GIS data development, the Commission finds that payment should be made to the City of Holdrege in the amount of **\$34,295.00**.

The Commission and its authorized staff shall have access to all data developed. Additionally, agencies and political subdivisions of the State of Nebraska, to the extent allowed by law and by agreement of the parties, shall have access to data as deemed appropriate by the Commission. The data and all

updates shall be provided for inclusion in the centralized GIS data repository.

If the Nebraska Legislature fails to appropriate or authorize the expenditure of sufficient funds to provide for the payment of costs from the Fund for GIS development or if a lawful order issued in or for any fiscal year during the term of the contract for services reduces the funds appropriated or authorized in such amounts as to preclude making the payments from the Fund, the Commission will not be responsible for any costs not reimbursed by the Fund.

O R D E R

IT IS THEREFORE ORDERED by the Nebraska Public Service Commission that the request for funding of Harlan and Phelps Counties shall be granted.

IT IS FURTHER ORDERED that the Commission shall remit to the City of Holdrege from the Enhanced Wireless 911 Fund **\$34,295.00.**

MADE AND ENTERED at Lincoln, Nebraska this 21st day of November, 2006.
